Danger! Comedy! Virtuoso Skill!
A Bicycle Rim Lined With Rat-Traps!

“Thom’s primary skill?

...Accomplishing
the impossible.”

Erin Stephens, Chairman, International Jugglers’ Association

Thom combines high-calibre juggling, smart comedy, and time-tested Vaudeville theatrics, creating a show that defies the laws of physics.

“Thom is an all-encompassing, utterly captivating presence on stage.”

- Carly Schuna, Board of Directors, Madison Circus Space

WHEN THOM WALKS ON STAGE, YOU GET HIGH ENERGY AND SMART COMEDY. WITH A HABIT OF DELIGHTING AUDIENCES OF ALL SIZES, THOM SEAMLESSLY COMBINES AWARD-WINNING JUGGLING, ACROBATIC STUNTS, AND THEATRICAL COMEDY INTO A VARIETY SHOW THAT WILL LEAVE YOU SMILING DOWN TO YOUR TOES.

THOM'S UNIQUE BACKGROUND OF PROFESSIONAL CIRCUS TRAINING, MIME, AND MODERN DANCE MAKES HIM A UNIQUE COMMODITY IN THE PERFORMING ARTS WORLD. HIS STYLE IS SO FRESH THAT EVEN SHARON OSBOURNE EXCLAIMED: "HE'S LIKE A SCENE FROM DIRTY DANCING!" WHEN SHE SAW HIM AT THE FOX THEATRE IN ATLANTA. AFTER HE TOOK SECOND PLACE AT THE WORLD CHAMPIONSHIPS OF JUGGLING IN 2012, THE INTERNATIONAL JUGGLERS' ASSOCIATION CALLED HIM:

"PART MODERN DANCE, PART TECHNIQUE, AND ALL FIESTA."

Stunts include:

- Five knife juggling
- Spinning rings on the body
- Balancing glasses on a dagger between the teeth
- A symphony with four plates
- Blockhead portraiture
- Diving through a bicycle rim lined with rat traps
- Sausage jumprope
- The nearly impossible pool cue balance
- Shaker cup manipulation
- The future of juggling
- Tricks with amazing names
- Bowling balls and wine bottles
- Looks like Wimbledon
- ...and more!

“Thom defies gravity with mad skill and thrilling spontaneity. He's a dancer's juggler and a poet's comic.”

- Amanda Huotari, Executive Director, Celebration Barn Theater

Highlights

“Thom is an *incredible* juggler with *amazing* stunts. The best part, though? Thom connects with his audience so well that you'll find yourself falling in love!”

- Richard Kennison, Entertainment Director, New Town at St. Charles
